Dear Sir/Madam,

**Sub: Disclosure pursuant to Regulation 30 of the SEBI (LODR) Regulations - Impact on account of containment measures announced by the Government of Karnataka and lockdowns announced by various States due to second wave of Covid 19**

The Government of Karnataka, vide its order RD 158 TNR 2020, dated 07/05/2021, has notified stringent containment measures to combat the 2<sup>nd</sup> wave of Covid 19 Pandemic, effective from 10/05/2021, which will be in force upto 6 AM on 24/05/2021

As per the said order, all industrial establishments are restricted from functioning, except as permitted by notified exemptions to carry on manufacturing and dispatch operations

As a result, StoveKraft Limited is operating its manufacturing facility in Harohalli, Bengaluru, only partially, in accordance with production and dispatch activities permitted by the said circular and as allowed by the local authorities. However, its manufacturing facility in Baddi, Himachal Pradesh is operating normally, for the time being.

In view of lockdowns and restrictions announced by majority of the States, due to pandemic, the general trade and modern retail (large format stores) are closed, thereby adversely impacting sales

The Company will keep the exchange updated on further developments in the matter.

Thanking you,

Yours Sincerely,

  
Shashidhar SK

Company Secretary and Compliance Officer
